 - b. If Terminator® lands short of target vehicle, retrieve and redeploy it.
5. **DO NOT** use the cord reel to “reel- in” Terminator®. This action could cause the line to bind inside the cord reel, which could prevent the line from being properly dispensed.

 **ALWAYS** move to a **SAFE LOCATION** after deploying 7HUPLODWRUŠ. The cord reel has 80 ft. (24m) of cord to allow you to move as far as possible from the road so that you can avoid fleeing or pursuing vehicles.

Follow these simple guidelines to ensure your Terminator® is ready for use:

- Keep Terminator® separate from other equipment to prevent inadvertent contact that could damage Terminator® or other equipment.
- Store Terminator® in a location that is easily accessible for rapid deployment.
